\*Our 1st Grade Talent Show is an annual tradition! Unfortunately, parents are not invited. This talent show is just for the 1st graders and 1st grade teachers. Your child may bring a costume IF she/he would like. It has to be able to be worn over the uniform. We have a tape and cd player. Your child must provide the music and any props needed for the act. The talent show will take place in one of the first grade classrooms during the school day on May 20th.
